

## **Spring, 2024**

The Trustees applaud the re-election of Libby Elwood and Chris Peters for another three-year term on the Weeks Public Library Board of Trustees and we are grateful that they have chosen to do another three-year term. At the trustee meeting on March 13, 2024, the officers of the Board of Trustees were re-elected for a one-year term. Chris Peters will serve as the Chair of the Trustees, Eileen Bischoff as the Secretary and Jane Man as the Treasurer. Kari Bivona and David Phreaner were reappointed as Alternate Trustees. We appreciate the service of all of those who stepped up to serve.

In April, Marcia McLaughlin announced that she would be moving from the area and presented her resignation to the Board of Trustees. It was with deep sadness that the resignation was accepted and the board expressed their deep appreciation to both Marcia and Craig for all they had done to ensure the Weeks Public Library became a model for libraries on the seacoast with the construction project that occupied an incredible amount of their time and energy. We will never be able to thank them for all they have done to transform an idea into reality. Kari Bivona agreed to accept the trustee position in Marcia's place and serve out her term.

With Kari's position open, a new member of the community stepped up to become a new alternate trustee. We are so pleased to welcome Mimi Boxwell to the Board and we look forward to the positive energy she brings to the group.

The Weeks Public Library is moving forward and with Adam Shlager as our director at the helm and a wonderful support staff, we know we will be moving in a positive direction to further serve the residents of Greenland.

Please let us know if there are things you would like to see at the library going forward – programs, initiatives, etc. “the world is our oyster”.
